

Background Inquiry Release Authorization

As a volunteer with One Mission Society, realizing that I am representing the ministry of the organization, I authorize One Mission Society and/or their representatives to explore and obtain pertinent personal background information concerning any criminal history. Background checks include national , state and county criminal history information, sex offender registry, Social Security number verification, and address history.

I voluntarily and unconditionally release any named or unnamed reporting party from any and all liability resulting from the furnishing of any information to either One Mission Society or its authorized agent.

I understand that information provided by this report can be used in making the decision on whether or not I can serve as a volunteer with One Mission Society. In the event that a negative decision is made, the organization will communicate pertinent information to me. Upon request, One Mission Society will provide a written description of my rights under the law. I further understand that I have the right to request in writing the nature and the scope of the investigation. Such disclosure will be made by One Mission Society within 5 days of my request.

Please note that having a criminal history does not necessarily disqualify a person from ministry with One Mission Society. We serve a graceful and forgiving God, who can restore and redeem . If there is a history of criminal activity or any other issues associated with a background check, Human Resources will review and decide each case, considering the specific issues and ministry.
